

Curriculum Guide

Northwood Community Primary School

In Sparrows this half term our topic is

Hooray...Let's Go On Holiday!
The Places People Go

Please look inside for more...

Topic Overview

The children will be looking at holidays. They will look at how Holidays are special days when we take a rest from school and work. Our holidays in the past were very different from holidays today. Now that we can travel to all parts of the world and even space, who knows where we will go for our holidays in the future?

Enrichment Opportunities

We hope to visit the Liverpool World Museum to find out more about fossils. Yr 5 will go to listen to the Philharmonic Orchestra. Visit a travel agent.

Please remember:

P.E. - Wednesday
Swimming - Friday

Working with families

We look forward to meeting you to discuss your child's achievements at parents Evening on April 1st.

Could you support your child with his spellings, homework and most importantly daily reading.

Can you help?

As Thursday 5th. March is world Book Day, we will be encouraging the children to come to school dressed as their favourite book character. We would really appreciate your support with this as it will help to make the day more meaningful for the children.

Send old holiday photos in or old holiday brochures in for us to use.

Subject	Overview
English	The children will continue to further their knowledge of phonics through the 'Read Write Inc.' programme. They will also be reading Myths and Legends. They will participate in drama activities and other organised events on Word Book Day.
