In Wrens

this half term our topic is

Time Travellers

Please look inside for more...

We have been learning about

RESPECT using the **2Cs**

Consideration

Caring thoughts

&

Care

Caring actions

In Monday assemblies this term, we are also looking at **Acts of Kindness**. Please ask your child about these and encourage these at home too!

Homework Project

Homework will be given to the children on a Friday to be brought in the following Wednesday.

The children will get their new spellings on a Monday to be tested on Fridays.

Try to read with your child every night and practise their sounds, high frequency words, tricky words and captions that are in the phonics pack.

Topic Overview

Our IPC topic this term is Time Travellers. This topic will follow a unit of work that will focus on significant events. The focus will be on History and the children will learn how to create a timeline, find out about events that are important to us, learn about important events that happened in our local area, use different sources to learn about a national event, find out about different events in the world and celebrate different events in the world.

Enrichment Opportunities

Library visit

Please remember:

Book bags every day.

PE– Wednesday

Swimming– Friday

Working with families

As your children come to school in a taxi or on a bus it is essential that we are able to communicate with parents/ carers through the 'Home School' books. We love to hear how your child has been at home and we will always keep you updated with how their day has been in school. Any support with homework and reading is greatly appreciated too. If your child reads at home, please write how they did in their reading record.

Can you help?

Could you start to collect any toilet roll/ kitchen roll tubes to be used for our Christmas craft activities. Thank you!
